

LAPA's San Fernando Valley Section Presents
'REEL' ETHICS
Featuring Edward O. Lear, Esq.

We are all aware that legal professionals are barred, both legally and ethically, from the unauthorized practice of law. However, in real life the line between the practice of law and the work of a paralegal is often blurred. Paralegals are also obligated to maintain the confidentiality of client information in the same manner as the attorneys with whom they work and never to use such information to the disadvantage of the client.

In 2002, Mr. Lear founded the Century Law Group. Since 1994, part of his practice has been devoted to the representation of attorneys in matters ranging from ethics consultation to defense in disciplinary matters before the State Bar Court.
