

LAPA'S South Bay Section Presents

TRIAL TECHNOLOGY FOR THE LEGAL PROFESSIONAL

Featuring Rhonda L. Reid, Senior Litigation Paralegal

This seminar will discuss the variety of hardware and software available for organizing, outlining and presenting evidence at mediation, arbitration and trial. The seminar will include some of the pros and cons of using the latest, state-of-the art technology and the methodologies for how to best utilize them. The discussion will include information relating to the software needs for a complex litigation matter and for the straight forward less complex matter, as well as cost efficient software and processes to help the legal professional team serve its clients.

Rhonda Reid has extensive experience with trial-related software and is knowledgeable about and works well with attorneys and clients to develop case management strategies. She is a Senior Paralegal with over 16 years of litigation experience. Rhonda received her paralegal certificate from California State University Los Angeles as a Litigation Specialist in 1992. She is a member of the Association of Business Trial Lawyers, the National Association of Legal Assistants and the Los Angeles Paralegal Association, where she served three terms as its President. She has served three terms on the Executive Committee for the Litigation Section of the Star Bar of California. Rhonda was the recipient of the 1999 California Five Star Paralegal of the Year award, was awarded the 2003 Affiliated Associations Outstanding Contribution Award of the National Association of Legal Assistants, was the 2003 Volunteer of the Year for Public Counsel, was awarded the 2005 Lifetime Achievement Award by the Los Angeles Paralegal Association, and was awarded the 2006 Adoption Advocate of the Year Award by Public Counsel.
