Dear Mr. Rimas:

I would like to congratulate the Los Angeles Paralegal Association (LAPA) as being one of the National Association of Legal Assistant Affiliated Associations which is being recognized as "Making a Difference" with their contributions in providing positive and effective services in their surrounding community and state.

LAPA was recognized at the 2007 Affiliated Associations Annual Meeting for their accomplishments in this area at the Annual National Association of Legal Assistants Convention which was held in New Orleans on July 11-14, 2007. Utilizing new technology through its website (www.lapa.org), your organization has provided its members with the ability to participate in various community and pro bono activities through LAPA's innovative and ground-breaking website project.

On behalf of NALA, we are proud to again congratulate you and the entire membership of LAPA for introducing this website program which provides your members the ability to better serve the greater Los Angeles area as well as the entire State of California.

Sincerely,
